Please let us know when you're ready to begin these trainings so we can register you in advance. A team member will need to authorize your account before it can be created. Once your account is set up, be sure to select "YES" when asked about administering medications— this step is necessary to access and complete the three required trainings:

- 1. Psychotropic Medications**
- 2. Trauma Informed Care**
- 3. Preventing and Recognizing Sexual Abuse and Victimization of Youth in Foster Care**
